what is the role of founding leaders in shaping terrorist organizations what follows the loss of this formative leader these questions are especially important to religious terrorist groups in which leaders are particularly revered tricia l bacon and elizabeth grimm provide a groundbreaking analysis of how religious terrorist groups manage and adapt to major shifts in leadership they demonstrate that founders create the base from which their successors operate founders establish and explain the group s mission and they determine and justify how it seeks to achieve its objectives bacon and grimm argue that how successors position themselves in terms of the founder shapes a terrorist group s future course they examine how and why different types of successors choose to pursue incremental or discontinuous change bacon and grimm emphasize that the instability surrounding succession can place a group at its most vulnerable the precise time to explore options to weaken or defeat it bacon and grimm highlight similarities between islamic terrorist groups abroad and christian white nationalist groups such as the 1920s ku klux klan in the united states drawing on extensive field research in afghanistan somalia and pakistan terror in transition features detailed analysis of groups such as al shabaab egyptian islamic jihad and al qaeda in iraq the islamic state in iraq as well as the kkk offering a rigorous theoretical perspective on terrorist leadership transition this policy relevant book provides actionable recommendations for counterterrorism practitioners

the war in yemen is finally coming under scrutiny as the west considers its controversial dealings with saudi arabia

an eight grade class trip from a supposedly perfect and affluent little town to a state forest ends in a horrifying moment when a revered teacher plunges to her death from a towering cliff if the students present witnessed the events leading up to the accident they're not telling no one in the elite and tight knit suburb of Knollwood New Jersey seems to know what really happened to the teacher worse yet no one seems to care except Meg Foley a young single woman used to instructing inner city kids Meg gladly accepts a replacement position in this cushioned community but in the eyes of her new students she sees a chilling hint of past terrors and Meg is determined to find out the cause in her search for the truth Meg raises painful questions that the people in the town would rather not answer was the teacher not what she seemed not even close did a rebellious clan of teenagers take their revenge on a tough critical authority or was it some greater evil that no one dares to acknowledge the Hornet's Nest Meg stirs quickly results in antagonism from school and local officials as her quest probes a lot more than just a tragic but isolated incident when unseen forces in the community target her as their enemy first with threats then with violence Meg can no longer handle the danger alone at her request Meg is joined by maverick Los Angeles police detective Dan Jarrett her father's partner before his death in the line of duty Jarrett must protect Meg and discover the truth about a teacher who never expected the result of her last assignment and a town that fiercely protects its own Mrs Wilkens prayed silently for someone to help her she looked over her shoulder as she continued to flee she couldn't see or hear them any longer but was certain they were still behind her somewhere

no two figures could seem further removed than Mohandas K Gandhi and Osama Bin Laden Gandhi advocated an inclusive religious perspective and believed that the highest ideals in religion led to the path of absolute nonviolence in contrast Bin Laden has concocted a militant and exclusive interpretation of Islam and tried to justify some of the most barbarous acts of terrorism witnessed at the turn of the century can both men be equally religious figures as leaders of movements of political protest do they have any points of similarity moreover how can the religious philosophy of nonviolence respond to its nemesis which takes life so easily and casually these and other important questions are explored in this work that examines the lives and ideas of Mohandas K Gandhi and Osama Bin Laden as well as that of Abdul Ghaffar Khan a refreshing nonviolent representative of Islam

in recent years there has been much controversy about the proper forum in which to prosecute and punish suspected terrorists some have endorsed aggressive use of military commissions others have proposed an entirely new national security court however as the nation strives for a vigorous and effective response to terrorism we should not lose sight of the important tools that are already at our disposal nor should we forget the costs and risks of seeking to break new ground by departing from established institutions and practices as this white paper shows the existing criminal justice system has proved successful at handling a large number of important and challenging terrorism prosecutions over the past fifteen years without sacrificing national security interests rigorous standards of fairness and due process or just punishment for those guilty of terrorism related crimes

al Qaeda is the most dangerous terrorist movement in history yet most people in the Americas and Europe know very little about it or their view is clouded by misperceptions and half truths if the first rule of war is to know your enemy then we have a long way to go this important book fills this gap with a comprehensive analysis of al Qaeda the origins leadership ideology and strategy of the terrorist network that brought down the twin towers and continues to threaten

us today bruce riedel is an expert on the middle east and south asia with thirty years of intelligence and policymaking experience he was actually in the white house situation room during the 9 11 attacks serving as special assistant to the president and national security council senior director for near east affairs he draws on this insider experience in profiling the four most important figures in the al qaeda movement osama bin laden its creator and charismatic leader ideologue ayman zawahiri its egyptian coleader and principal spokesman abu musaib al zarqawi leader of al qaeda in iraq until his death in 2006 and mullah omar its taliban host these profiles provide the base from which riedel delivers a much clearer understanding of al qaeda and what must be done to counter it the search for al qaeda reviews how al qaeda was created and developed presenting authoritative and chilling background on the manhattan raid but riedel focuses more closely on what has happened to it since that awful day he outlines al qaeda s ultimate goals which are to drive america out of the muslim world to destroy israel and to create a jihadist caliphate larger than the ottoman empire at its height the profiles and subsequent analysis reveal the network s multipronged strategy for accomplishing those goals draw america into bleeding wars like the one that drove the soviets from afghanistan build a safe haven for al qaeda in pakistan develop other franchises in the islamic world that can overthrow pro american regimes conduct more western attacks along the lines of 9 11 or the transit bombings in madrid and london the book concludes with a strategy for dealing with and defeating this most dangerous menace
